This will be a Holy Spirit inspired expedition into understanding and discovering your place of participation in the fulfillment of God's prophetic purposes for the Body of Christ and the Jewish people.

You will gain a new and profound understanding of the demonic nature of anti-Semitism as you tour the Auschwitz-Birkenau death camps in Poland. You will tour the camp as an **"Agent of Redemption"** who is **"Clothed in the Armor of Light"** (Ephesians 1:7; 2 Corinthians 5:18-19; Romans 13:12).

You will participate in a unique prophetic act as we celebrate the victory of Jesus over Satan in our **Communion Service at Birkenau**. The "place of death" - where Satan attempted to destroy the entire Jewish race - becomes the very place from which we declare that the Scriptures will be fulfilled and God's promise of ultimate Redemption for the Jewish people, the Nation of Israel, the Body of Christ, and the Nations will be fulfilled (Isaiah 11:9; Habakkuk 2:14).

You will be inspired and encouraged as you partake in the Brazilian sponsored "Ashes to Glory" conference from October 25 - 27, at the Hotel Imperiale located across the street from the entrance to Auschwitz (see www.ashestoglory.com/home-eng).

We will also visit two very special ministries that are located within sight of the gates of Birkenau. We will see the deeply moving "Fountain of Tears." This is a series of sculptures that depict a "dialogue of suffering" between the crucified Messiah and a Holocaust survivor. Watch the introductory video at www.castingseeds.com/fountain-of-tears.

Across the street from the "Fountain of Tears" is a "House of Prayer" that is presently under construction. This is a ministry dedicated to establishing a place for 24/7 deep intercession for the fulfillment of God's redemptive purposes for the Jewish people and the nation of Israel (see www.livingstones.com.pl).

From Poland, we will fly to Israel as we continue our "Journey of Redemption." This is not just a typical tour of the "Holy Land." From Mt. Hermon, the highest place in Israel to the Dead Sea, the lowest place on Earth, we will visit the places where we know Jesus walked and ministered, and where many of the stories of the Bible unfolded.

From underneath the city of Jerusalem, with its ancient foundation stones, to the caves of Qumran, where the famous "Dead Sea Scrolls" were discovered, we will tour ancient and modern Israel. You will be very blessed as you encounter the Lord in all the sights we will visit, and in the meetings we will have with Holocaust Survivors and Israeli Messianic believers and ministry leaders.

On this unique journey from the “Ashes” of the death camps to the “Glory” of Israel, you will experience the unfolding of God’s redemptive purposes and be encouraged and challenged to discover how you, and your church, can personally participate in the further fulfillment of those redemptive and prophetic purposes.

Here is a list of the costs for this journey. Please do not immediately think “I do not have the money for this” The enemy will try to discourage you using your lack of funds. Let me give you a short testimony. When the Lord told Janet and I to go to Israel for the first time in 1987, we said to Him “We don’t have the money to go to Israel.” He then said to us, “I’m not talking to you about money, I’m talking to you about going.”

When we said yes, we would obey, He opened the doors for us to go. Please ask the Lord if He is calling you on this “Journey of Redemption” - If He is, He will provide in wonderful miraculous ways. Just get into the battle in prayer as the Holy Spirit leads you. You will be amazed at His provision.
