

Howard Morgan Ministries
Message Review Guidelines

1) Suggest possible titles for the message. You can suggest more than one and you can be creative in your suggestions.

2) What is the general theme of the message? For example, you might say this message is about repentance, or the ministry of the Holy Spirit, or relationships in the church.

3) What specific subjects are talked about? Please just give me a very short and simple, one or two-line statement. Short and to the point is all we need. For example, you might write something that sounds like these two examples:

- You must understand the laws of the Kingdom and how they work, before you can receive their benefits. If you are ignorant of the laws of the spirit realm, your life will be haphazard, and you will not prosper.
- There are two paths in life, the path of blessing and the path of cursing. If you want to be blessed you must get on the path of obedience because that is where the blessings are. You cannot go your own way and ask God to bless that.

4) Time Stamps

As you listen and hear “mini-teachings” within the larger message, please identify when they start, when they end and what they are about. For example, from 4.30 – 7.28 you teach about Faith, from 22.37 - 29.15 you talk about overcoming fear. You can describe the mini teaching/sound bite with as little or as much information as you want to. Obviously, the more detail you provide for us, the easier it will be to present it online.

5) IMPORTANT - Please let us know if there are any technical problems with the recording, like poor sound quality or disrupting background noise, abrupt ending, etc.

Please feel comfortable to work in your own style. For further help, an example of a review is below.

Please email your review to Dr. Morgan at: drmkmin@gmail.com

If you have any questions please email me, or call our office 770 734-0044

We greatly appreciate your help! Please keep the messages as an expression of our thanks. We pray that the Holy Spirit will minister you and to the many people who listen to these recordings. Your reviews will greatly help us to bless many people!

Some people like to listen to the message straight through first, then listen again to take notes for the review. This is only a suggestion, work as you are comfortable.

SAMPLE REVIEW

POSSIBLE TITLES FOR MESSAGE 12-10-14

"Walking in the Steps of Faith of Abraham"

"Walking By Faith in the Dark Places"

"Swimming Deeper In the River of God"

THEME

There is a move of God upon the earth today like never before and God wants us all to be a part of it. He wants us to be people who know how to get wet and flow in the move of the Holy Spirit as we near the end of the age. If we aren't flowing in the River of God, we will miss it. We flow in the river by learning how to work in the steps of the faith of Abraham.

SUBJECTS

- Breaking new ground with Jesus or staying where you are.
- The Spirit flows like a river, so we need to study rivers, oceans and water.
- The Current - it has power that can carry you to new places you could not get to on your own.
- You are either:
 - in the current GOING SOMEPLACE
 - or you get beached (The Pirate Bottle)
 - or you drift into the estuary.
- Deep waters are dark and dangerous, and you must learn to see in the Spirit with God's light and surrender control of your life to Him.
- Walking in the Steps of the Faith of Abraham:
 - God is a Father (Family Relationships)
 - Show me Your ways
 - Everything Happens in Steps
 - Being a Hebrew and Crossing a River
 - Flowing in Your Current
 - Avoiding Cross-Currents
- When currents collide, there is an extra anointing.
- Learn to live in the water and stay with the flow.
- Get saturated in your own walk with God and don't become dependent on the church for merely a shower.

MINI CLIP/SOUND BITES

You can identify where the subjects you write about are recorded, or you can identify others this way:

From 3.22- 8.34 You are teaching about Overcoming Fear, how fear is built on lies and we have to confront our fears in order to defeat them

From 13.44 -19.22 You are sharing about learning how to hear the voice of the Holy Spirit, and not fearing making mistakes, but with humility taking the risk of faith and obedience trusting the Lord to teach and train you how to walk in the Spirit.

SOUND QUALITY

Sound quality is good
